Dear Parents/Carers,

As you may already know, **Friday 15th November** is the BBC Children in Need event. Sefton Park is excited to be joining in with others around the UK to participate in fundraising for this good cause. This fundraising event will help us raise much needed funds to help improve the lives of some children.

We will be hosting a non-uniform event for Junior School Children on Friday 15th November. Children can wear spotty/or yellow clothes which they may already have or Pudsey merchandise which you may already have purchased from shops if you wish. If your child would like to participate, please send your child to school with a voluntary donation on the day of the event.

For those year groups that have PE on this day, please ensure that they are wearing appropriate sports footwear for the day.

We are also going to be taking part in a Sefton Park endurance challenge. This is to match the endurance challenge of Paddy McGuinness who is gearing up for a challenge like no other: a 300-mile ride across three nations on a classic Chopper bike!

We will be setting up a static bike in the Infant Hall and using Zwift as a platform for riding. We are aiming to continuously cycle from 7am until 3pm. All children from year 2 upwards will be able to contribute to this continuous cycling challenge. Please bring in an extra donation if your child would like to take part!

If your child would like to take part in any extra fundraising activities. There are lots of ideas here: <https://www.bbcchildreninneed.co.uk/fundraising/>

Let's make a big difference to the lives of children in the UK. Thank you for your continued support.

Kind regards,
Emily Shuker
Deputy Head
