'Look for the bare necessities  
The simple bare necessities  
Forget about your worries and your strife. '

This week we have had a fabulous last week with **two great performances** by our Year 3 classes of the Jungle Book. There was so much energy, passion and smiles galore from all. It really lifts the spirits on cold days when the children are so obviously enjoying themselves.

This week we held a **fascinating and hopeful talk** from Dr Susie Davies from the Charity, Parents Against Phone Addiction in Young Adults. It was thought provoking, sensible and non-judgmental and highlighted the challenges for parents around navigating phone use in ourselves and our children.. One of the issues raised was the impact of gaming on young people, and in particular but not exclusively, the impact this has on boys.

With this in mind we have also organised workshops from Ygam. Ygam are a national charity with a mission to prevent children and young people from experiencing gaming and gambling harms through awareness raising, education and research.

They are coming into school on **Wednesday 26th February** to deliver a workshop to our Upper Key Stage 2 children.

**They will also deliver a workshop to parents after school from 3.45pm-5.00pm in our Infant Hall.**

They have developed an awareness session providing parents and carers with information around gaming, gambling and the blurred lines between the two.

**Topics they cover:**

- ❖ **Gambling: exploring the influences on children and young people**
- ❖ **Gaming: discussing the benefits and concerns**
- ❖ **The blurred lines between gaming and gambling**
- ❖ **How to spot the signs of harm**
- ❖ **Useful tips to create a healthy gaming balance**
- ❖ **Where to get help and support**

In order for this to go ahead please sign in to the unique booking [here](#).

We are sorry to see the **departure of two teaching colleagues** in school. Miss Tina Pang has been working with us for a year as a cover teacher and a PPA teacher. She has taught in all classes across the school and is much loved by pupils and staff. She has a full time teaching job at Glenfrome School which starts in Term 4. We thank her for all her hard work and wish her well. Ms Celeste Datta has been teaching one day a week in Baobab class in Year 3 and last year in Year 2. Celeste has accepted a full time role in her other job at the City Farm. Celeste is a great teacher and we will miss her calm, professional demeanour. We have been fortunate to have both Ms Datta and Miss Pang work at Sefton Park. Miss Allen and Miss Maceda will replace the roles vacated by Ms Datta and Miss Pang. We welcome both teachers to Sefton Park.

If you haven't already done so, please read our [Safeguarding Newsletter](#) for the term.

Wishing you all a lovely half term week! See you for the start of Term 4 on **Monday 24th February**.
