## TERM 4 NEWSLETTER WEEK 5

### Sefton Park

This term seems to have flown by and has been incredibly action packed and with just one week to go until the Easter holidays, there is still plenty to look forward to.

The past couple of weeks have been full of energy and excitement, with our wonderful Languages Day celebrating the many cultures and languages within our community, followed closely by the creativity and imagination of World Book Day, which was a joy to see across the school.

We were also delighted to host our Iftar evening at school this week. It was a truly special occasion where families, staff and members of the wider community came together to share food, conversation and reflection. Events like this are a powerful reminder of the strength and warmth of our school community, and it was lovely to see so many people there celebrating together.

We also recently held our Careers Week, which was a fantastic success. A huge thank you to all of the speakers who gave their time so generously to share their experiences with the children. It was wonderful to see pupils so engaged, inspired and, at times, amazed by the breadth of opportunities and pathways shared with them.

The generosity of our community continues, with a number of volunteers committing their time to help improve our outdoor spaces a real “Sefton Spring Clean,” if you will. We are incredibly grateful for this support, which will help make our environment even more welcoming and enjoyable for the children.

One of the things that has stood out most over the past few weeks has been the incredible kindness and generosity of our school community. We have been genuinely overwhelmed by the number of parents, carers and friends of the school who have offered their time, expertise and encouragement to support events and opportunities for the children. A huge thank you to everyone who has offered to help, your support makes a real difference and helps us create such rich experiences for our pupils.

As always, it is a pleasure to see the enthusiasm and curiosity of the children each day, and we are very much looking forward to making the most of this final week before the Easter break.

Warm wishes  
Alex

We would also like to ask for your help in spreading the word about our nursery. Word of mouth is, without doubt, the most powerful and trusted form of recommendation, and there is nothing more valuable than families sharing positive experiences with friends, neighbours and the wider community. Across the city, pupil numbers are falling, and it is increasingly important that we ensure our nursery remains full, vibrant and sustainable. A strong nursery supports not only our youngest children, but the wider school community too, helping us continue to offer the high-quality provision and opportunities that families value.

If you know anyone with a child of nursery age, please do encourage them to consider Sefton Park and to get in touch with us. Your support really does make a difference, and we are very grateful for your help.
