## TERM 5 NEWSLETTER WEEK 4

Over the past few weeks, there has been a real sense of energy and excitement across Sefton Park Primary School. Classrooms have been full of hard work, creativity and memorable experiences as we move towards the final half term of the year.

Year 5 have been incredibly busy rehearsing for their upcoming performance of A Midsummer Night's Dream. From learning lines to developing their stage presence, the children have thrown themselves into the world of Shakespeare with enthusiasm and confidence. We are already looking forward to seeing all of their hard work come together in what promises to be a fantastic production.

Meanwhile, Year 6 have now completed their SATs week and we could not be prouder of the maturity, resilience and determination they have shown throughout the process. They approached each day with positivity and gave their absolute best. After such a demanding week, they now have an exciting reward ahead as they head off to camp next week, an opportunity to make lasting memories together before the end of their primary journey. :(

There is also growing excitement as Seftival appears on the horizon once again. Preparations are already underway and we are looking forward to bringing our school community together for another brilliant event filled with fun, celebration and memorable moments.

Next week, we are also delighted to welcome a number of work experience students into school. Many of them are former pupils, and it is always a pleasure to see familiar faces returning to support and contribute to the school community that helped shape their early years.

We're looking forward to a great few weeks ahead together.

Best wishes

Alex

It may seem like some time ago, but following our Children in need day, we have received a letter from the charity.

## **BBC** **CHILDREN** **IN NEED**

Dear Sefton Park Infant And Junior Schools,

Thank you so much for your generous support. I am pleased to confirm that we have received your donation of £201.9 from your school, and it has now been sent for processing.

Your contribution makes a meaningful difference. At present, we are only able to fund 1 in 6 organisations who come to us for help. Donations like yours enable us to reach more children and young people who are facing incredibly tough challenges, ensuring they receive the support they need to overcome difficulties and thrive.

At BBC Children in Need, we believe every child should have the chance to be the best they can be. For that to happen, they need someone they can rely on – someone to listen, guide, and help them through whatever they are facing.

Your school's donation helps ensure there is someone to provide food, clothes and beds for children going without; someone trained to support children experiencing anxiety, grief or isolation; someone to mentor teenagers in communities facing inequality, violence or a lack of opportunity; and someone to stand alongside children living with serious illness, disability or overwhelming pressure.

BBC Children in Need funds vital work in communities across England, Scotland, Wales and Northern Ireland. We support dedicated people working in family centres, youth clubs, community projects, refugees, homeless shelters, hospices and helplines, right where children and young people need help most.

We simply could not do this without you. Your support helps us change lives for the better.

Kind Regards,

Emma Douglas  
Supporter Experience Manager, BBC Children in Need

We would also like to ask for your help in spreading the word about our nursery. Word of mouth is, without doubt, the most powerful and trusted form of recommendation, and there is nothing more valuable than families sharing positive experiences with friends, neighbours and the wider community. Across the city, pupil numbers are falling, and it is increasingly important that we ensure our nursery remains full, vibrant and sustainable. A strong nursery supports not only our youngest children, but the wider school community too, helping us continue to offer the high-quality provision and opportunities that families value.

If you know anyone with a child of nursery age, please do encourage them to consider Sefton Park and to get in touch with us. Your support really does make a difference, and we are very grateful for your help.

## A Message from the Children's Commissioner

Good morning,

As Children's Commissioner, I am writing to ask you to ensure all of your children complete my new survey, The Big Future.

Under the Children Act 2004, it is my role to promote the views and interests of children in England, and I have done this so far by conducting the two largest ever children's surveys: The Big Ask and The Big Ambition.

Now, for the first time, hundreds of thousands of children will be eligible to vote in the next general election, the biggest change to the franchise in half a century. Yet just one in five children say politicians listen to them. That's why I'm launching my final survey, The Big Future.

Your students should complete the survey here:  
<http://www.childrenscommissioner.gov.uk/thebigfuture>.

I want to make sure that I hear from as many children as possible, aged 0-18, from all backgrounds, in all schools and colleges, and in every part of the country. To do that, I need your help.

I am asking children about the changes they want to see in their communities, their biggest concerns, and their hopes for the future. More than anything, I want to know what they think a good childhood should look like today.

I am asking you to share the survey with all the children, parents and carers in your school or college community. Schools and colleges that achieve high participation rates will receive formal recognition for their contribution to amplifying children's voices and encouraging civic engagement, and a summary of their pupils' responses.

To support you to do this, I have created a pack of resources which include an introductory video, a lesson plan, and FAQs, which are available on my website. I would be grateful if you could ensure that every child in your school or college has taken part before the deadline of Friday 23 October.

I will be publishing my findings next year, and they will be used to advocate at the highest level for solutions that children want to see, to the problems that they tell me are most important to them.

Thank you for your support.

Yours sincerely,  
Dame Rachel de Souza  
Children's Commissioner

## Monkhouse Discount

Although we are fortunate to have a wonderful team of parents who run our second-hand uniform sales, children have an amazing habit of seeming to outgrow their uniforms overnight, one minute the trousers fit perfectly and the next they are halfway up their shins! And, of course, after a year of playground adventures, football matches and art lessons, uniforms do not always last forever either. To help with this, Monkhouse are currently offering 15% off all new uniform purchases.
