

SEFTON PARK

TERM 6 NEWSLETTER WEEK 7

I genuinely can't quite believe we have reached the end of another school year. As always, the final few weeks have flown by in a blur of performances, sports days, celebrations, transition events and (hopefully) a little bit of sunshine!

Looking back, it has been another year full of moments to be proud of. Our children have amazed us time and time again with their resilience, kindness and enthusiasm. Whether they've been learning something new in the classroom, representing the school on the sports field, performing on stage or simply looking after one another, they have been an absolute credit to Sefton Park. In fact, I was recently sent a lovely message following Cotham School's annual Sports Awards evening. I was delighted to hear that the recipients of the Outstanding Contribution to Sport award for Year 7, Year 8 and Year 9 girls were all former Sefton Park pupils. What made this particularly special was that the award recognises attitude, commitment and sportsmanship as much as sporting ability. It was wonderful to hear that the values our children develop here continue to shine long after they leave us.

We've packed so much into the year! Year 2's performance of Stella the Starfish was simply wonderful, full of smiles, confidence and enthusiasm. Our Year 6 production has once again reminded us just how much our oldest pupils have grown during their time with us. They've made us laugh, they've made us proud and, if previous years are anything to go by, they'll probably make a few parents (and me) shed a tear too!

Our Sports Days have been another real highlight. They are always a brilliant reminder that success isn't just about crossing the finish line first, it's about encouraging friends, showing determination and having the confidence to have a go. It has also been fantastic to see so many children complete their Bikeability training, giving them confidence and independence for the future.

One of my favourite parts of the year has been welcoming back so many former Sefton Park pupils for their work experience placements. There is something really special about seeing children who once sat in these classrooms returning as young adults, keen to give something back. It is a lovely reminder that while children may leave Sefton Park, they are always part of our community.

To our Year 6 children, thank you. You've been fantastic role models for our younger pupils and have thrown yourselves into every opportunity this year. We are incredibly proud of everything you have achieved and can't wait to see where your next adventure takes you. Good luck at secondary school; you'll be brilliant.

Before we officially break up, don't forget that Mini Enterprise takes place on Monday! Our young entrepreneurs have been busy designing products, planning businesses and getting ready to sell their creations. If your child would like to take part, we recommend sending them in with around £2 in change, which should be plenty for them to enjoy the stalls.

Although this is our final newsletter of the school year, there will be one more email coming your way next week, a Summer Safeguarding Newsletter. It contains lots of useful advice and reminders to help keep children safe over the holidays, so please keep an eye out for that.

Finally, thank you. Thank you for your support, your encouragement, your kind words at the school gates, your help at events and for trusting us with your wonderful children each day. Schools are built on partnerships, and we couldn't do what we do without yours.

On behalf of everyone at Sefton Park, I hope you all have a fantastic summer. Make memories, get outside, enjoy some family time, read a good book, eat an ice cream (or several!), and come back in September ready for another exciting year.

Have a wonderful summer, we'll see you all soon.
